

## Sponsor the Detroit Suzuki Academy of Music Violin Camp 2023

Join us as we bring a robust summer enrichment program to the talented students of the Detroit Suzuki Academy of Music. Founded on the principles of justice, artistry, love, and whole family involvement, we seek to serve 45 young Detroiters in growing in their musical goals, confidence, and friendships. Our camp is geared towards serving working families in need of trustworthy summer childcare and who are seeking valuable summer experiences for children entering grades 1-10.

Following three successful years, our program has expanded in its fourth summer to include music making, educational concerts, art making, organized sports, community building, and healthy meals.

**Join us in providing a high quality summer musical experience!**
